Local document translation

Reading a paper should be simple.
The original figures stay on the page.
Translations appear in the same place.

The second column is independent.
Its sentences should stay together.
All processing happens on this device.

Small details are important.
You can switch back to the original.

This is a separate paragraph.
You can click to read the full translation.

$$E = mc2$$

A full-width caption below both columns.

Hello world

日本語の文章を読み取ります。
文字の情報を使い、画像からの誤読を減らします。

한국어 문장을 읽고 번역합니다.
모든 처리는 이 기기 안에서 이루어집니다.
